Dear Friends,

Again it is this time of year we honor our Lord and Savior Jesus Christ, this Christmas season. We are so grateful for His love and provision all year. The Cubit Foundation is growing, our schedule is already getting full for 2010. Praise the Lord! This year seems to have gone so fast it is like a dream. Ron had many meetings this year, he has been on the road 240 days. I have been able to stay home more because we moved in April, as I told you in the last newsletter. Brad, our youngest son, built us a garage apartment in his backyard. We had lots of down sizing to do but it was a great move. We just love our little place, there is so much peace here. We know it was God's plan for us, and are excited to be here for many years. It is a joy to be able to communicate with you and let you be aware of the ministry and what we are doing. Both Ron Jr. and Brad have been to Egypt helping us with the ministry. Brad was able to go twice, and Ron Jr. was able to accompany Brad in Oct. during his teaching break. What a blessing to have our sons excited about the work of the Lord. We pray one day our grandsons will follow in their footsteps.

"Train a child in the way he should go, and when is he old he will not turn from it" Proverbs 22:6

FROM RON'S HEART TO YOU:

I went to India in Jan. & Nov. of this year. I just returned home from ministering in several cities. During the Nov. trip a cyclone hit, thanks for all that prayed for our safety. Pastor Randy Bach from Tacoma, WA went with me to minister in India and lead music seminars. Everyone was blessed by his expertise and especially I was thankful for his help. Thanks for going Randy! God is moving and providing opportunities in marvelous ways. **The services have been packed out since the rain stopped, people standing in streets and on balconies to hear. Many were saved & tremendous healings took place. MIRACLES: while in Mumbai, a lady blind in one eye regained her sight, a woman who had a tumor on her throat was healed instantly. These healings were documented and in news all over India. Three ladies had tumors disappear right before our eyes, everyone saw the hand of God at work. God is still in the miracle business.** *"Through mighty signs & wonders, by the power of the Spirit of God; so that from Jerusalem & round about unto Illyricum, I have fully preached the gospel of Christ" Romans 15:19* During one of the services in Mumbai, they announced that the CD's from the Jan. services were smuggled into Kazakhstan, China, & Turkmenistan, and more than **4,000 have been saved** as a result. Many underground leaders were present at the meetings. They came from Qatar and Dubai, they were crying out to me to come to their country to teach the underground church. Coincidentally, the Lord had my plans made ahead of time. My flight home went through Dubai, and then my flight was delayed by one day. I had an opportunity to minister to the underground church leaders in several areas. It was encouraging to see how hungry they were for the teaching of the truth of The Word. The Lord protected us as we traveled. I was stopped by the police, I responded to his question in German, so he did not detain me. I have been asked to go back in Feb. to finish the teaching, plans are being made to do that. The persecuted Christians are in many countries all over the world and they need our prayers. **PLEASE PRAY FOR THEM**

Son's together in Egypt

2009 Update: The uncertainty of the future becomes more obvious daily. Nevertheless, we know for certain and without a doubt that God has called us to: 1) work for Him in the Muslim world: 2) Challenge believers like you to pray for the persecuted Christian daily. So, thank all of you so much for your continued love, support and prayers. It is because of you and your support that we are able to continue doing what God wants us to do. This has been a very active year for us, in which the pendulum has swung for great joy and blessing to some pain. But, God has been consistent throughout this roller coaster ride, and His faithfulness has been non-failing. He is always there to meet our needs.

2009 has included ministry throughout Germany from Dusseldorf to Karlsruhe, from Frankfurt to Berlin, Speichersdorf & Munich. The Cubit Foundation has been to Egypt 4 times and India twice. In the US we were in Texas, Oklahoma, Pennsylvania, New Jersey, Iowa, Kansas, Ohio, Illinois, Missouri, California & Georgia. We shared with you the plight of the persecuted Christians where ever we went. We have delivered tens of thousands liters of water to the Garbage City people and hundreds of "Bags of Hope" to the widows in Egypt. **REMEMBER AS YOU GIVE, YOU ARE THE ONES GOING RIGHT ALONG WITH US GIVING THEM HOPE IN THE NAME OF JESUS.**

GOD BLESS YOU GREATLY AND THANK YOU!

(Please Pray 5 Minutes a day for the Christian Muslims)
