

March 2009

Dear Friends,

After spending a great time with our son & his family in California in mid-December and then having Christmas with our son & his family in Georgia, we “hit the ministry road” running in January. A few days after the New Year our son Brad and I got away for a time of prayer and fasting. During those few days the Lord confirmed to us that we have a very limited amount of time to do the work that He has called us to do. More specifically, we feel that we only have a couple of years in which the door of opportunity will remain open for ministry in the Muslim world. So we determined that beginning immediately we must put our maximum efforts into ministering to the Muslims and helping persecuted believers in the Muslim countries.

My first trip of the year was to India , where Christian believers in some parts of Muslim northern India are suffering the greatest persecution that they have faced in more than a century. Our primary emphasis in our meetings was teaching the life of Jesus and how He is with them constantly; even in the midst of persecution. All of the meetings were well attended by hundreds who wanted to learn about Jesus, many were saved, including a number of Muslims and Hindus. One Hindu man that was saved along with his wife was a banker. After he and his wife had accepted Christ, they knelt down in front of me. The man then confessed that he had taken monetary advantage of many innocent people in the past. But, he was committing that he would give back double all those he had deceived. Please continue to pray for the new believers in India that even as persecution is increasing daily, they will stand strong in the Lord.

I returned to the USA in February and began to pack for our move across town to our new down-sized garage apartment. Paula has been at home packing, the Lord allowed some great friends from Ohio, the Mahaney’s to come help her. This move will enable us to put more of our funds into this last days ministry thrust. We are still in the final stages of this move; the apartment is not finished yet. We are trying to pay for it with out going into debt. God has been gracious to help us with special donations from churches and people like you that have given out of their hearts. God Bless you! We wanted you to be confident that the funds for the apartment have not been taken out of The Cubit Foundations donations. The Lord is providing in so many ways and miracles are in our midst. We are amazed at what the Lord is doing.

After a trip to Kansas and Texas , where we challenged believers to remember the persecuted Christians in prayer, we began preparing to head back to Egypt the second week of March, on the first of numerous trips to Egypt this year. Our son, Brad, and J.P. Campbell, are going with me to Egypt . We will also be in Dusseldorf and Karlsruhe , Germany speaking before and after Egypt . We continue to praise the Lord for Germany . They have the vision of helping the Muslim Christians also. Because the door is still open to us in Egypt, we continue to walk through those doors: delivering “Bags of Hope” to widows, delivering water to the Garbage city, buying camels for Bedouin believers and providing teaching and support to the persecuted believers.

The time is short and the doors are definitely closing in the Muslim world. So, we remind you to continue to pray for the Muslim Christians (Muslim by birth; Christian by choice) at least 5 minutes per day. Continue to pray for us as we endeavor to fulfill our responsibly for the Lord in Muslim Middle East . The doors remain open for only a limited amount of time; so, what we do, we must do now.

We keep you are friends in our prayers daily. God Bless you!

In Christ,

Ron & Paula Charles
